## Messaging Solutions

*Confidentiality,  
Patient Satisfaction,  
Waiting Room Order*

Hospital Admitting, Emergency Services Waiting Areas, Same-Day Surgery, Outpatient Clinics and Hospital Pharmacies...they all have one thing in common: The need for efficient, discreet communication between staff, patients and families. PeopleAlert™ messaging solutions provides all this and more.

*JTECH's Healthcare Solutions deliver all of this and more...*

- ◆ **Confidentiality.** Protect your patients' right to privacy while ensuring your hospital's H.I.P.A.A.compliance.
- ◆ **Serenity.** Ease waiting room congestion, eliminate noise pollution and support J.C.A.H.O. accreditation efforts.
- ◆ **Notification.** Contact patients and families waiting for tests or information, quickly & silently.
- ◆ **Patient Satisfaction.** Improve your CSI rating and enhance your patient's overall waiting experience.
