

Digital A-Frame

43" Outdoor Battery Powered Signage

A portable, battery-powered outdoor digital A-frame display designed to capture walk-by traffic with bright, dynamic content. Update messaging instantly without printing and replace traditional static sandwich boards with modern digital signage for promotions, specials, events, and announcements.

Key Benefits

- Turn walk-by traffic into customers
- Replace printed signs with dynamic digital promotions
- Promote multiple specials and announcements
- Rotate messages throughout the day
- Keep messaging fresh with instant updates

Product Features

- Portable outdoor digital A-frame display
- Battery-powered operation
- Bright screen for high visibility
- Instant content updates
- Supports multiple promotions on one display

Ideal For

- Restaurants
- Retail
- Hospitality
- Healthcare
- Education

Part # DISAFROUT43V2
