JTECH

JTECH CMS

Centralized Content Control

JTECH's Digital Signage software is your total solution for keeping menu pricing, promotions and items up-to-date, consistent and organized. Combine eye-catching HD imagery with highly visible menu listings to better upsell your menu items while creating a new modern dining experience.

Features

Unlimited Digital Menu Zones
Show any combination of high definition food or drink features, specials or desserts.

Advanced Day Parting
Automatically schedule ads or full menus to change at specific times and days.

Quick Order
Build a polished, easy to read menu that displays your combos, pricing, images and descriptions.

Customizable Menu Templates
Start from scratch or use simple templates that can be quickly customized with your branding.

Edit from Anywhere
Manage and update menus from any device using a web browser, whether for one or multiple locations.

Clean and Easy to Read
Organize your menu with color-coded sections and optional rotating food images, ideal for larger menus.

Comprehensive Digital Menu Board Design Studio

Start from scratch or use simple templates that can be quickly customized with your branding.

✓ Images	✓ Facebook	✓ URLs
✓ Videos	✓ Instagram	✓ Rolling text
✓ Slideshows	✓ Twitter	✓ Polls
✓ Text	✓ News RSS	✓ YouTube
✓ Shapes	✓ Weather	✓ Prices
✓ Backgrounds	✓ Clock	✓ Descriptions

Real-Time Reports, Proof-of-Play and Display Status

A complete reporting dashboard that lets you easily check the status and activity of your digital menus.

Proof-of-Play	Shows how many times each piece of content played and how long it ran
Performance	Breaks down all media assets that played, their exposure time and total play count
Connectivity	Displays the connection status of all screens and indicates which playlist is active
Status	Provides player status, device name and the most recent content update time
Admin Control	Allows you to set up sub-users with limited or full access

Digital Menu Board Templates

Choose from a wide selection of professionally designed, high-impact templates tailored for Cafes, Quick Serve, Fast Casual, Bakeries, Pizza Shops and more. Templates are available in both landscape and portrait formats and can be fully customized to fit your branding needs.
