

COUNTERTOP DISPLAY

Impactful Communication Anywhere

A sleek, touchscreen countertop digital display that turns high-traffic surfaces into powerful communication tools. Ideal for promotions, announcements, and branded messaging across industries.

Features

Easy Content Updates

Upload images or videos via USB for automatic looping playback.

Compact Footprint

Designed to fit neatly on counters, desks, and service stations without taking up valuable space.

Flexible Placement

Designed for high-visibility areas across counters, desks, and service points.

Commercial Build

Engineered for daily business use with durable components and reliable performance.

Incremental Income Opportunities

- Promote add-ons and premium upgrades
- Feature limited-time or seasonal offers
- Increase average transaction value
- Drive sales without additional staffing

Countertop Display
