SmartCall™ Coaster Pager
and Charger

SmartCall™ Coaster Pager Healthcare Paging System

With our SmartCall Coaster Paging System, discreetly notify your patients instantly with a unique alpha-numeric message, flash, beep or vibration. Easily stay in contact, speed patient turnover and increase patient satisfaction.

The SmartCall Coaster pager is a stackable charging unit that fully charges up to 15 pagers in 2 hours. With user-replaceable batteries, it's easy to maintain.

The SmartCall Coaster pager is one of our best-selling medical pagers for the healthcare industry.

Additional Features

The SmartCall Coaster Pager integrates with other paging systems.

UHF Technology

Up to 2-mile range with unique ID to prevent signal interference.

Hospital Tough

Built with high-quality materials for maximum durability and industry leading performance.

User-Replaceable Batteries

Replace your own batteries to reduce downtime and cost.

Smart Alerts

Out-of-Range and Search feature ensures patient and family contact.

Flexible Integration

EMR (Electronic Medical Records) integration capability.

Optional Manager/Staff Pagers

Staff can choose between alpha text, numeric or rugged rechargeable pagers.
