StaffCall IQ Pager & Charger

## Additional Features

The StaffCall IQ Pager is extremely flexible and integrates with other paging systems and software applications.

### UHF Technology

Up to 2-mile range with unique ID to prevent signal interference.

### User-Replaceable Batteries

Replace your own batteries to reduce downtime and cost.

### Flexible Integration

Third-party POS and KDS system integration capability.

### Durable for High Volume Use

Built with high-quality materials for maximum durability and industry leading performance.

### Smart Alerts

Out-of-Range and Search ensure guest contact and minimize pager loss.

### Optional Manager Pagers

Managers can choose between alpha text, numeric or rugged rechargeable pagers.
